GIRLS & SUBSTANCE ABUSE

Dr. Martha Straus

LIVES FOREVER CHANGED

Personal Accounts of the Irrevocable Effects of Underage Drinking

FRIDAY, APRIL 3, 2009

LAKE PEARL LUCIANO'S | WRENTHAM, MASSACHUSETTS

A community-based, collaborative prevention and training event

This event is supported by U.S. Department of Justice funds awarded through the Massachusetts Executive Office of Public Safety and Security's Highway Safety Division.

To obtain auxiliary aids, services, or accessibility information for this event, please contact Michael Jackman at 781-830-4800 ext 212.

Underage drinking remains a serious problem for society. While the ongoing efforts by parents, schools, police and community groups have reduced the incidence of underage drinking and decreased the number of alcohol-related traffic fatalities among young people, tragedies are still occurring all too frequently.

Alcohol-impaired drivers account for almost a third of all traffic fatalities in the United States - over 13,000 people die each year because of drunk driving. Too many parents are woken up in the middle of the night by a phone call or a knock on the door that will change their lives forever.

Working together we can make a difference; we can reduce the likelihood that young people's lives will be touched by these tragic circumstances. To do so, we must educate ourselves about the risk factors that affect each individual youth's choice whether or not to drink or engage in other dangerous behaviors, such as riding in a vehicle with a drunk driver.

The speakers we have brought together for this conference will enhance our collaborative efforts to improve prevention programs in schools and communities all across Massachusetts.

I appreciate the financial support provided by the Massachusetts Executive Office of Public Safety and Security to bring in the highest quality of programming for the school administrators, police officers, court personnel, parents and prevention specialists who are striving every day to make the lives of young people healthier, safer and more productive. I hope you are able to join me as we work together towards the goal of reduced underage drinking and driving.

Sincerely,
Bill Keating

Agenda

8:30 – 9:00 am Registration

* Continental Breakfast & Exhibits

9:00 Welcoming Remarks

* District Attorney William R. Keating

* Chief James Anderson, Wrentham Police Department

9:15 Alcohol and the Effects on the Adolescent Brain
